Please send on a CD /DVD some clear video of you working your Horse on both reins in Walk,Trot and Canter and also any Lateral work such as Shoulder-In,Half Pass that you are able to do with your Horse.

If possible please be filmed from both sides of your Horse and riding away and towards the camera.

A Distance lesson will include a full written assessment of you and your Horse and a schooling Plan you can follow at your own pace.

Suggestions of books and videos for further study can be included for those who are interested.

To compliment The Distance Learning Programme a visit to our school for a one or two day course in classical Riding with a Schoolmaster Andalusian can help to assess your progress and give you new skills to practise.

For groups of three to four people come to one of our classical workshops which will also build your knowledge and understanding of Classical Riding.

Clinics – If several interested Pupils can get together a group of at least five horse& Rider partnerships I can come to you to teach and assess your progress. The cost will be £35 per Horse & Rider plus my travel expenses.
